Release Form: The Texas Legislature has added a chapter to the Civil Practice and Remedies Code to limit liabilities for equine activities, effective September 1, 1995. Chapter 87 of the code says there is no liability for property damage or damages arising from personal injury or death of a participant in an equine activity, if the damage or injury results from a risk inherent in equine activities. Inherent risks include collisions with other animals, certain surface conditions, the unpredictability of an animal's reaction to certain stimuli and potential of a participant to act in a negligent manner contributing to an injury. I hereby understand that the Lindale Area Chamber of Commerce and Lindale Championship Rodeo, its members and all other persons and organizations connected with this event are not to be held responsible for any injuries which may occur while participating in the mutton bustin' activity on Thursday, May 18-Saturday, May 20, 2017
